

Suggested Hymns

Music for a Christian Funeral should fulfill two purposes. It should acknowledge the reality of the grief of the mourners but should also express the hope that believers have for eternal life in Heaven with God. Well-chosen music should help mourners to see beyond the sadness of the day and turn their focus toward the loving and eternal characteristics of God. Those who gather for the funeral will take comfort in the fact that God knows and cares about their grief, and that He is right beside them in sadness. This is a list of suggested and often requested hymns for you to consider in the service planning.
